

## REMARKS

Applicants wish to thank the Examiner for his careful consideration of the pending claims and for his indication that Claims 12-15 and 21-27 are allowed. The Applicants have cancelled claims 1-9 (Claims 10-11 and 16-20 were previously cancelled) to place this case in condition for allowance. The Applicants have already submitted formal drawings, to replace the informal drawings, indicated in October 18, 2005 office action. The Applicants assume that these drawings were accepted by the Examiner, since no mention was made in the April 6, 2006 office action. Please contact the undersigned as soon as possible if the replacement drawings have not been entered into the file for issuance, and the Applicants will resend these replacement drawings.

Therefore, the Applicants respectively submit that all pending claims, Claims 12-15 and 21-27 are in condition for allowance. If, however, the Examiner feels that any further issues remain, he is invited to contact the undersigned so that such matters can be promptly resolved.

Respectfully submitted,
